Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is being filed (a) within three months of the U.S. filing date of this non-CPA application, OR (b) before the mailing date of the first Office Action on the merits in the present application. No certification or fee is required.

The attached applications identified in the attached Appendix are directed to related technical subject matter. The identification of their U.S. Patent Applications is not to be construed as a waiver of secrecy as to those application now or upon issuance of the present application as a patent. The Examiner is respectfully requested to consider the cited applications and the art cited therein during examination.

U.S. Patent No. 4,968,566, Japanese Patent Nos. 2002-198077 and 2002-63920 were cited in the attached European Communication (Search Report) issued July 5, 2004, i.e., not more than three months ago. An English language version of the foreign communication is attached for the Examiner's information. Both the European Communication and the English Abstracts are relied upon to satisfy the requirement of a statement of relevance for the attached references.

Respectfully submitted,
